

Aircraft Noise Survey

In cooperation with the Sedona Airport Administration, the Sedona Citizens Noise Abatement Committee is conducting this survey to obtain reliable information about the effects of aircraft noise over the Greater Sedona area and obtain a better understanding of the influence of aircraft sound in the community. Incidents reported do not necessarily have to be a possible infraction of FAA regulations.

Please fill in this form as objectively as possible. The more complete the responses, the better our data will reflect areas of concern. The form is designed to be used for one incident, only. If you experience more than one incident, please use individual additional survey forms.

Phone or fax your response to the Sedona Airport Manager's office:
 Phone: (520) 282-4487
 Fax: (520) 204-1292
 www.airport.sedona.net (for additional copies of this survey)

Sedona Airport Administration,
 Attention: Airport Manager
 235 Air Terminal Drive, Unit #1,
 Sedona, AZ 86336
