

## **SEDONA HANGAR RENTAL LIST POLICY**

**Beginning September 1, 2009, the revised Sedona Airport Hangar Rental List will be in effect. The process will provide an effective and fair opportunity to all pilots on the list who desire to rent a hangar at the Sedona Airport.**

**Effective September 1, 2009, a \$50.00 non-refundable fee will be required to be listed on the hangar waiting list. When a hangar is rented, the \$50.00 fee will be applied towards the security deposit**

**When a hangar rental becomes available, all pilots on the list requiring that particular size hangar will be contacted by Email. After a period of five days, the hangar will be rented to the respondent pilot at the top of the list. Non-respondent pilots and those who decline will be rotated to the bottom of the list.**

**Upon acceptance of an available hangar to lease, the Lessee may use the stated premises for the sole purpose of storing Lessee's aircraft and other personal property related to the ownership and operation of the aircraft regularly used by the Lessee. All other terms of the Lease will be in effect as well.**

**Please complete page 2 with the information requested. Print and mail the form along with a check to Sedona Airport or SAA for \$50.00 to the address below.**

**Thank you,**

**Nelson E. Durkee  
Sedona-Oak Creek Airport Authority  
235 Air Terminal Drive  
Sedona, AZ 86326
