Agenda Item #IV. – Public Comment: None

Agenda Item #V. – Old Business:

- a. Taurus Technology Investment Partners Inc. (TTPI) Lease:

The revised Lease between Taurus Technology Investment Partners and the SOCAA was presented to the Board just prior to the meeting. It was noted that because of last minute revisions, the presented Lease was different from the Lease posted recently on Dropbox. Director Daniels commented he was concerned the Board did not have any advanced warning of this revised Lease, he further commented on how the rental fee numbers were calculated in Paragraph 4. Director Daniels believed "the Board should seek expert advice from a company that regularly conducts leases of towers because our Board does not have the expertise to properly evaluate a tower lease".

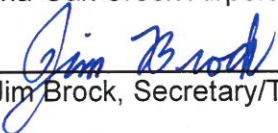

Much discussion followed with several Board members expressing concerns that additional revisions should be included in the lease. It was noted by Vice President Fazzini that the Lease, prior to being presented to the Board, had been vetted by Legal, Staff and certain Board Members previous to the meeting ~~and all Board members had ample opportunity to submit comments throughout the process.~~ ^{pk.} Rather than schedule another meeting to approve this lease, Vice President Fazzini called a recess at 5:00 p.m. asking if General Manager Shankland and Mr. Paul Giovanni of TTPI could update and incorporate the changes discussed tonight. The session was reconvened at 5:48 p.m. and the revised lease was again presented to the Board. After some further discussion, Secretary/Treasurer Brock made a motion to approve the newly revised lease. The motion was seconded by Director Hein. The motion was approved with Directors Fazzini, Brock, Hein, Idell and DeGroff voting for and Director Daniels voting against approval.

Agenda Item #VI – New Business: None.

Agenda Item VII. Adjournment: There being no further business before the Board, Vice President Fazzini declared the meeting adjourned at 5:56 p.m.
